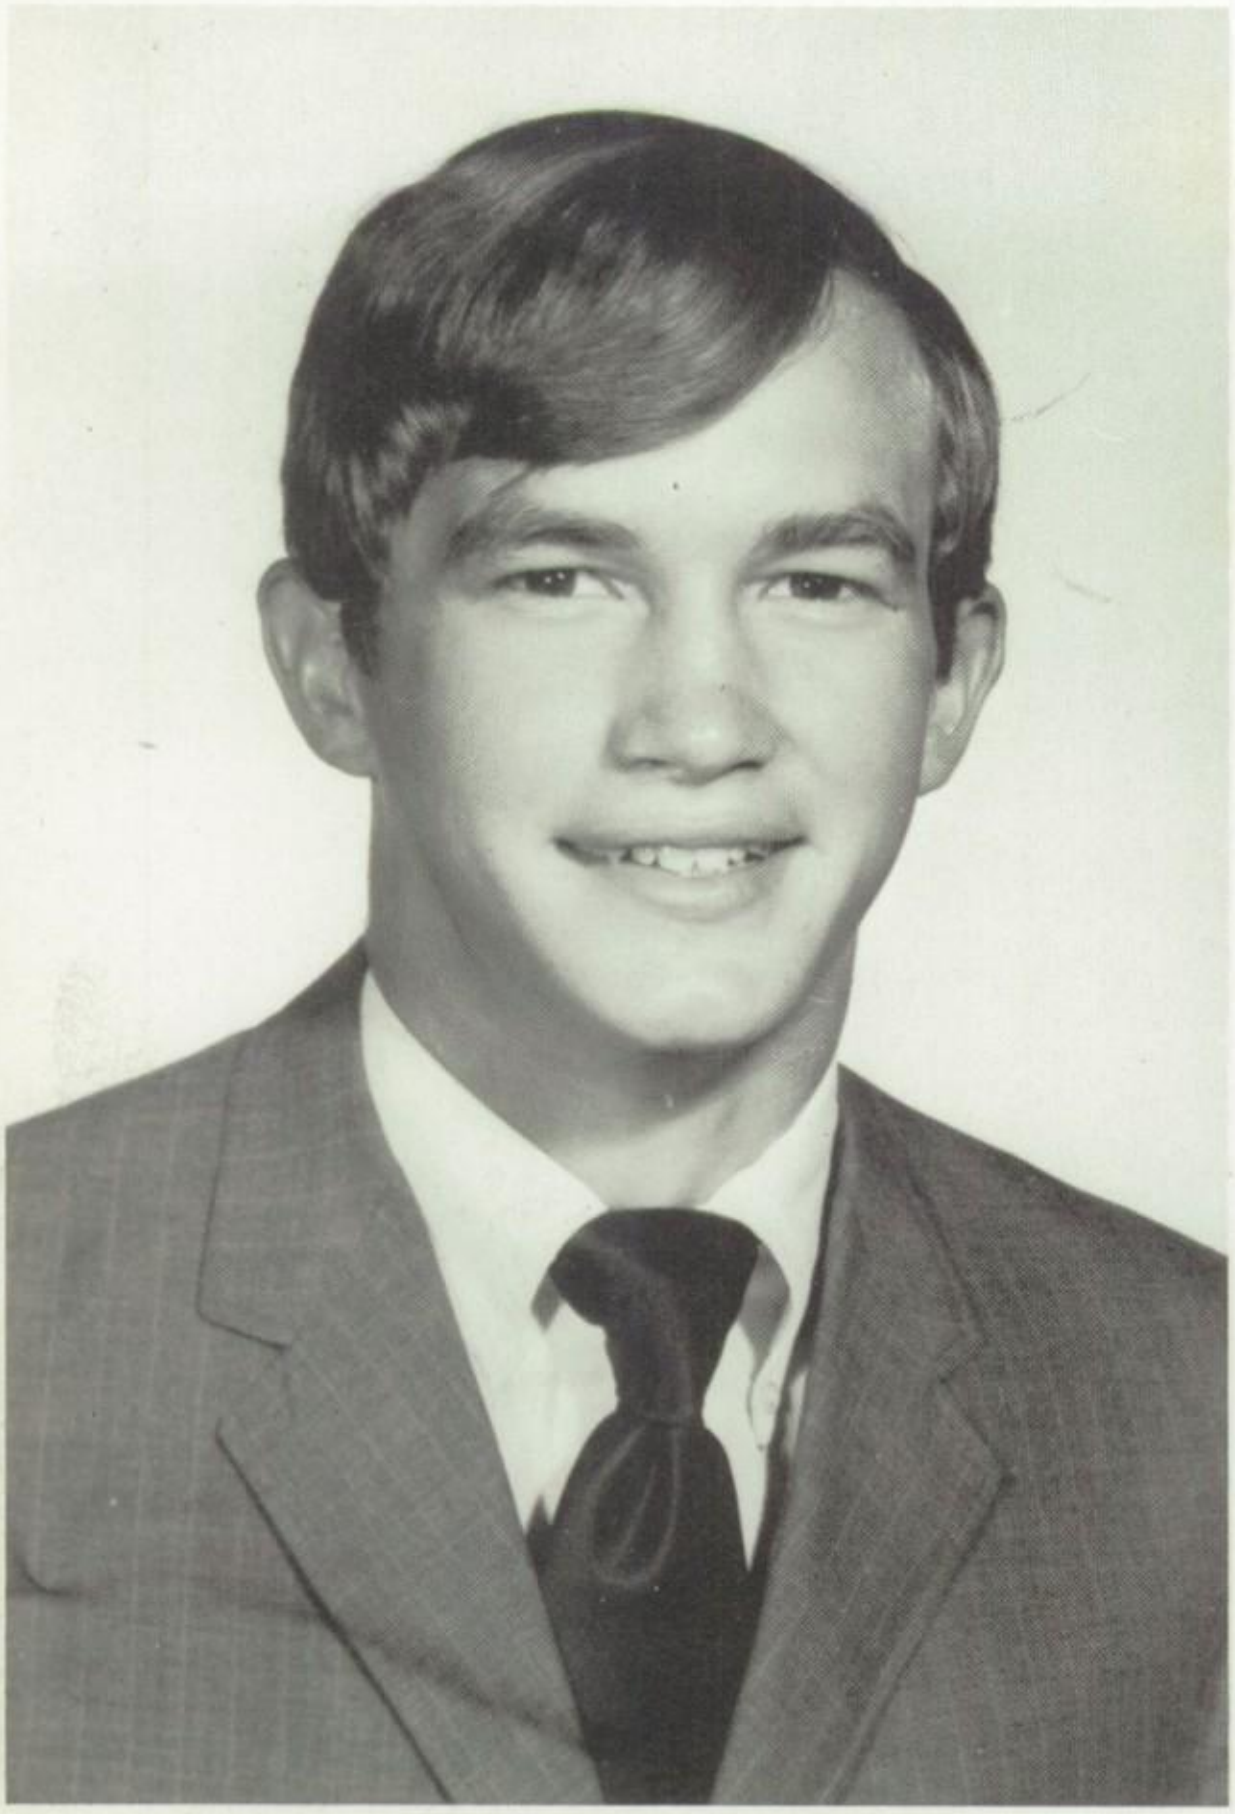
VOLUME XXX
Granbury High School
Granbury, Texas
Published by: The Pirate Staff

FOREWORD



A year, such as this has been at Granbury High School, is a composite of all types of feelings, emotions, and events. Something worthwhile has been added to each of our lives, though in varying quantities and qualities. The activities and traditions of our high school days can perhaps be appreciated only in retrospect.

It is the ultimate goal of the Pirate Staff that we may preserve some of these memories in such a manner that they may be re-lived for years to come.

Cecil Peters

DEDICATION

WILLIE CROSSLAND

The noblest contribution which any man can make for the benefit of posterity, is that of a good character. The richest bequest which any man can leave to the youth of his native land is that of a shining spotless example.

by R. C. Winthrop

Because of his never tiring interest in the students of GHS, his sincere desire to guide our paths in the right direction, and to instill in each of us moral goodness, we the Pirate Staff dedicate the '70 Pirate to Mr. Crossland.

Sue,
This is our last year as students of G.H.S. It's kinda of sad to be leaving G.H.S. but I can't help but look forward to the future. Sue I wish you all the luck in the world.

Sue,
This has been a pretty good year, so far the prom and we still have Senior trip left. I guess we have always been friends & I hope we will be friends forever. We have had a lot of good times together. I hope you and Kenneth get along alright; you'll make a pretty good couple. I hope our college days are as much fun as the times we had in high school. I wish you the best of luck, and hope all your endeavors are fulfilled.

love,
Richard

Sue,

As a student teacher you have made the past weeks more interesting. I hope that I shall experience ~~from~~ knowing you as a student and learning what you want to accomplish in your school years. Lots of luck in whatever you chose to become.

Sue,
I can hardly believe that our days at G.H.S are almost over. We can truly say though, that we've had some great times. You are a sweet girl and a close friend who is certainly deserving of the best life has to offer. Good luck to you in everything you attempt (especially Kennett).

Love ya (Sr-70)

Dear Sue,
It's been fun going to school with you these past years. It just doesn't seem possible that it will all be over in a few short weeks. Will have some wonderful memories of dear ole G.H.S.
Good luck in the future. I know you'll go far in life.

Love,
Carol

Sue,
We've really had a lot of fun these last four years; it's really been great! Stay sweet and you'll go far. Good Luck! Love,

Sue,

Things are really starting to start popping & I can't wait. Next year is going to be simply great (although I know you have your doubts as to the sincerity of that statement). We've given Mrs. Hedges fits in shorthand with our games of hide-&-seek. I'll never forget the day 6 of us piled in Nana's pickup to go to Ed Chues. Now, that was fun! I'll still have the Prom & Senior Trip & the many luncheons and parties to make the most of. Good Luck next year Sue. I know you'll achieve your goals in life for you have the spirit, spunk, & drive to keep going, even though the goings not always too smooth. Sig em Seniors!

Love

My Dear Sue:

Romantic start isn't it! Well here I am sitting in my bedroom trying to think of enough things to fill this whole page, but I don't think it will be to hard to do if it's for you. We've been going together for almost 6 months now and I have enjoied every moment of it. During this time we have come to know each other very good and I don't think I have to tell you that you are something special to me. You are a sort of answer to all my problems and I hope I am the same for you. We have had several problems and a few will you now who (she will probably read this) and each time we solved it ourselves and it seemed to bring us closer togeder. This year is almost over but we have several other exciting events left and I'm sure they will be fun for both of us and esp. the prom. Graduation and summer vacation is not to far off and we probably ~~can~~ will not get to see each other as ~~off~~ often but I'm sure we will manage. I fil that our friendship is just getting started and that we will have many more happy moments together. You are a wonderful girl and I hope you will succeed in everything throughout your life you attempt. May God Be Wit You.

Love,
Kenneth
